Councilmen Buy New Dodge Truck

Action by the city council, Monday night, October 9, assured the Daly City Water department of a new ton-and-a-half truck, replacing the Studebaker which has been in operation for the past 12 years. Using its powers to make purchases in excess of $1,000 without calling for bids, as provided under the state emergency act, the city council unanimously voted to buy the chassis on which a special custom-built body will be placed. Councilman Howard McHugh made the motion to buy the Dodge truck.

The new truck, which will probably not be ready for another month, will be constructed to carry a complete set of supplies to meet any emergency. Mayor A. J. Gaggero explained that bids were dispensed with because the securing of a priority and a truck at the same identical moment allowed for no delay.

Upon the motion of Councilman Eugene V. Lynch, chairman of the police commission, Officer Ed Heim was suspended from the Daly City Police force for 30 days without pay, by unanimous vote of the council. The action followed an investigation by the police committee which found the officer guilty of misconduct.

Councilman McHugh reported that the Daly City Library had a circulation of 2,054 for September and 32 new members. Blackout paraphernalia has been removed from the local library, he said.

Councilman Edward J. Dennis made a motion, unanimously adopted by the council, that the telephones in the control center, established for Civilian Defense, be removed. This shutdown of C. D. activities was taken at the request of county and state headquarters.

Both Daly City Post No. 410, American Legion, and Old Glory Post No. 2044, V. F. W., were represented at Monday night's council session. Their presence had a two-fold significance. In the first place they will confer with the city council on the selection of a site for the proposed War Memorial scheduled for construction here under the San Mateo County Planning commission. Date for a thorough study of the entire situation was set for Monday night, October 16, at the caucus meeting of the city council in the city hall.

At the present time most discussed site is the old Market Street railway quarry just off Mission street, which would have the advantage of central location with room enough for parking facilities and other extensions necessary to make such a memorial of maximum public service. Use of the site will probably not be possible, though, unless some inexpensive way of removing the

Daly City Achieves One-Third of War Chest Quota In First Week Of Campaign For Home, War Front Funds

Urge Residents To "Give At Home"

Approximately one-third of its quota was achieved by Daly City in the first week of the War Chest campaign. Dozens of volunteer workers in the community, headed by Mrs. Clara E. Lane as chairman, began a canvass of residential and business districts, October 2. By Saturday, October 7, $923.90 had been banked for Daly City to turn over to the San Mateo County War Chest, under whose jurisdiction the local drive takes place. Goal for Daly City is $2,950.

Warning against any let-up in solicitation or response, Mrs. Lane pointed out that Daly City has a particularly difficult task in as much as there are no big factories or stores here, and that the residential areas must bear the major responsibility for the success of the drive.

"Please, give where you live," she entreated Daly City residents, many of whom work in other cities. "Daly City is in San Mateo county and the home-front agencies which serve our own community will benefit only if contributions are made here at home."

The War Chest in addition to raising funds for U. S. O., War Prisoners' Aid, United Seamen's Service and many other allied nation agencies, supports the following local welfare and recreational agencies, Boy Scouts, Girl Scouts, Y. M. C. A., San Mateo Preventorium, San Mateo County Blood Bank, San Mateo County Charities, and Salvation Army.

Those assisting to make Daly City's drive successful in the shortest possible time include the following workers marshalled under Mrs. Lane: for the business district, Mrs. Horace Fellows, Mrs. Marce Trier, Mrs. Lydia Lorenzo, and John Degliantoni; division leaders for the residential areas, Mrs. Hazel Marsh, Mrs. Mary Crane, and Mrs. Cecelia Hale. Under the division leaders are the following canvassers: Mrs. Crane—Mrs. M. Linden, Mrs. Ida Hanley, Mrs. A. Grantham, Mrs. A. Nolte, Mrs. B. Stone, Mrs. M. Roberts, Mrs. Emily MonSanto, Mrs. M. Thompson, Mrs. Elsie

Colma District

"Making good progress" is the summary for the Colma district War Chest drive, according to Mrs. Alma Garibaldi, chairman, and Mrs. M. Pauline Brown, co-chairman, following preliminary first week reports from workers canvassing the residential and business areas. Financial reports for the week of October , which saw the opening of the drive, are not complete. Colma has a goal of $2,150.

For those who are not likely to be home when the volunteer canvassers call, checks or money orders made payable to the San Mateo County War Chest may be left at the Colma branch, Bank of America, with John Ferrari or Leo Graziani, or mailed to Mrs. Brown at Box 1653, Colma, 25, Cailfornia.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Private First Class **Antonio M. Rocha jr.**, United States Marine Corps Reserve, has been reported wounded in action. His father, Antonio M. Rocha sr., lives on Hillside boulevard, Colma.

Reported on the casualty list as wounded in the European area is Private **Gary G. Craviotto,** son of Mrs. Mary C. Craviotto, 682 San Diego avenue, Daly City. He's in the U. S. Army.

Sergeant **Carl Barthel,** 306A Knowles avenue, is in England at one of the U. S. Army hospitals. He's in the X-ray department and has been overseas since January. His wife, the former Miss Irene Twesten, and his 4-month-old daughter, Carol, make their home at the Daly City address.

Importance of the work which Berthel and other members of the vast staff perform was stressed in a recent release from the public relations section for the European Theater of Operations. It told how every possible attention and service is provided for the wounded from France as they move swiftly along the road to recovery at the base hospital.

Aviation Cadet **Steve Brosnan** is now stationed at Deming Army air field, Deming, New Mexico. He is taking advanced bombardier training. When in Daly City he made his home with his wife, June, at 778 San Diego avenue. He began his instruction at Buckley field, Colorado in September, 1943.

He told of meeting **Melvin Hanson,** another Daly City serviceman, on his way to Deming. They had an interesting visit on the train, rehashing the good old days in Daly City. Hanson was on his way back to his East Coast base and they parted at Albuquerque.

"We've been hitting the Nips some good blows," writes Lieutenant **Arnold L. Panella,** Daly City, from somewhere in the Pacific war area. He wrote The Record to say he enjoyed the clippings from this paper which his friends have been mailing to him.

"The news of servicemen is naturally of most interest to me, as I like to know where all my friends and acquaintances are," he said.

Panella is a member of Colma Vista Grande Aerie No. 1848, F. O. E., and of the local Lions club. He entered the Army in January, 1943, and was commissioned at Williams field, Arizona.

Cut Sunday Game Schedule To One

Daly City baseball enthusiasts will have to accept a reduced fare of that sport, at Marchbank park, during the coming winter months. Both the Bear Photo "A" team, managed by Charles Norry, and the Daly City Juniors, have joined the San Francisco Recreation department league, and will not be available for local games.

However, a 2 o'clock contest will be played each Sunday between teams of the Peninsula Winter Baseball league, on the Marchbank diamond. Last Sunday, to open the league season, the Laundry Workers edged out the Bear Photo Service squad, 8 to 7. Scheduled for the October 15 feature are Campi Taverns and the Regal Pales.

Results of other games played last Sunday were Sherry Bees 11, Bear Photo "A" 4; and Daly City Juniors 16, San Francisco Boys club 1.

AT D. C. LIBRARY

Bright orange borders with witches, giant Jack-o-lanterns, big black cats, wise old owls—all have been employed in the clever decorations at the Daly City library, 6351 Mission street, to herald Hallowe'en to the community's children. Mrs. Jean O'Rourk, librarian, cordially invites the youngsters in to see the exhibit.

Reardon Case Comes To Trial, October 25

Wednesday morning, October 25, is the date set for the trial on the alternative writ of mandate to restore James G. Reardon as police chief of Daly City. Judge Andrew Schottky, of Mariposa, who overruled a demurrer filed by the City of Daly City to have Reardon's petition dismissed from court, will hear the case in superior court at Redwood City.

Reardon will be represented by Attorneys Joseph J. Bullock, Redwood City, and Raymond J. O'Connor, San Francisco, while the city and Councilman Howard McHugh will have Attorneys F. E. Hoffmann and John W. Coleberd as counsel.

Reardon's petition, filed in the superior court of the county, asks for reinstatement as chief and to civil service status, arrears in salary and for general relief. He was removed as chief by a resolution passed, 3 to 2, at the June 26, 1944, city council meeting.

Town Of Colma Remodels Old Hall

At the regular monthly meeting of the city council of the Town of Colma, held, Monday, October 9, Attorney Charles Gebhardt was instructed to draw up a lease contract covering the old city hall building. This property is now being remodeled to provide living accommodations for a tenant, who will act as caretaker for the new building and grounds as a part of the agreement.

City Clerk E. A. Weisenburger reported forms had been received from government agencies to effect a termination of the lease now in force between the town and the armed forces, for use of the new city hall property. The board voted to hold up acceptance of the property's return until such time as its original condition had been restored, due to the fact that considerable work remains to be done.

Presiding over the meeting was Mayor Fred Lane, and also present were Councilmen Bartley Flynn, Paul Delucchi, Mattrup Jensen, Peter Barsi, Health Inspector C. E. Lowe, City Treasurer Henry Kempf, Weisenburger, and Gebhardt.

TO REOPEN TROOPS

Plans are well under way to reopen two Boy Scout troops in Daly City, No. 149 and No. 101, neither of which has been active for some time. Working on the project have been Joseph Powers sr., newly appointed district commissioner, and R. E. Bennett, named to the position of district advancement chairman by San Francisco council headquarters. The men announce that scoutmasters and full details of the program will be ready for publication soon.

Armed Sailors Demand Billfold

Seventeen - year - old Waldron Bryant, Colma, was the victim of robbery, Monday night, October 9. As he was walking past the high school a station wagon drove up to the curb and two sailors inquired how to drive to Geneva avenue. One of them got out of the vehicle as if to hear better but instead pulled a dagger with a double-edged blade and demanded the lad's billfold. It contained $7, driver's license, Coast Guard pass, cards and photos. As soon as they drove off, Bryant reported his loss to Daly City police and Officers Roland Petrocchi, Edward Beecher and the Shore Patrol gave chase.

They radioed the information to KGIA from the patrol car and at 11:45 p. m., within an hour after the stickup, the California Highway patrol apprehended the sailors, found to be C. W. Howlett and M. R. George, stationed at Tanforan, on Bayshore highway. They were turned over to Officer Petrocchi who found Bryant's wallet in the glove compartment of the station wagon and the dagger in the possession of George.

The local police department filed a complaint against the two at the district attorney's office and they were arraigned before Judge William J. Sweeney in Daly City, Tuesday, October 10. He set bail at $1,000 cash each or $2,000 bond. Preliminary hearing will be at Daly City court, Tuesday, October 17, before Sweeney.

Investigation of the pair disclosed that this is not the first felony in which George has been involved. He admitted holdups in San Francisco and Oakland.

Among the less spectacular incidents requiring police attention in the past few days were: investigation of an auto-pedestrian accident, October 8, 7 p. m., on Mission street near Hillcrest drive. Officer Petrocchi listed those involved as Charles Theilman, San Francisco, and Ludwig Carlson, San Bruno barracks. Officer Henry Sundermann jr. answered a call from the Sea Scouts, October 8, 11:45 a. m. Someone had been sleeping in their headquarters at San Jose avenue and Bepler street. Nothing was stolen.

Sergeant Ricco Benedetti investigated an accident, October 7 at 7:40 p. m. Charles Manuel Marvel, San Pedro, driving a Plymouth coupe west on Templeton and making a left hand turn onto Mission, was struck by a north bound street car. The street car did not stop.

Officer Dean Wood and Emil Bertelli took Enrico Aglietti, 3236 Ingalls street, San Francisco, to Alemany Emergency hospital, in the ambulance, October 5, 10:45 p. m. when he was hurt in an accident near Millett's auto

"Oklahoma Kid" Now At Daly City

With James Cagney scoring what everybody concedes to be his greatest success in his Academy-Award winning "Yankee Doodle Dandy" and Humphrey Bogart sky-rocketing to topflight popularity in "Casablanca" and "Action in the North Atlantic," Warner brothers has decided to re-issue "The Oklahoma Kid" which co-stars both these popular players. The picture opens, tonight, October 12, at the Daly City theatre.

James Cagney plays the role of a dashing young outlaw, a young Robin Hood who steals from the rich and gives to the poor. He leads a happy-go-lucky existence until he is informed of the death of his father at the hands of a vicious gang headed by Whip McCord (Humphrey Bogart), a notorious gambler. Intent upon revenge, he tracks down the culprits, shoots it out with McCord, and settles down to a respectable existence.

"The Oklahoma Kid" has a competent cast headed by Donald Crisp and Rosemary Lane. Others in the cast include Harvey Stephens, Hugh Sothern, Charles Middleton, Edward Pawley, Ward Bond and Lew Harvey.

The picture was directed by Lloyd Bacon, from a screen play by Warren Duff, Robert Buckner and Edward E. Paramore.

Tense Moment In Film At Daly City Theatre

James Cagney and Humphrey Bogart who added to their popularinty in their most recent films, "Yankee Doodle Dandy" and "Action in the North Atlantic," are seen together in Warner Brothers' re-issue of "The Oklahoma Kid," now at the Daly City theatre.

"Proposition No. 1 on the general election ballot, of November 7, provides for a $30,000,000 bond issue which will make available funds for the purchase of homes and farms for veterans of World War II who enter the service from the State of California.

"This will be a continuance of the beneficial program which was inaugurated in 1922 for California veterans of World War I.

"Stated briefly, it is based upon the wholesome and progressive philosophy that it is infinitely better for America to have

Father McKenna expressed his appreciation for the fine public support accorded the bazaar and thanked the hard-working parish committee which made its success possible.

The school grounds, 60 Wellington avenue, had been gaily decorated for the occasion. Youngsters and oldsters alike enjoyed the many attractions featured at the bazaar, according to the committee's final report, summarizing the outcome of the project.

YOUR BLOOD WILL HELP

With our men punching into the Siegfried line against Nazis who are fighting with determination to stem the march into the Reich, the road toward Berlin is not what we can call an "open road." At least, it will not be so long as Hitler and his generals can prevent it from becoming that.

The determined resistance of the enemy is spilling American blood as our boys push forward. But the millions of pints of blood donated are saving the lives of countless soldiers who fall. Maybe the pint of blood which you gave some months ago has already pulled an American doughboy through. Maybe the pint you will donate soon again will be the very thing that is needed at the critical moment.

The Red Cross needs your help. Red Cross donor centers are located in 35 principal cities throughout the nation and mobile blood donor units visit surrounding communities.

If you haven't given a pint of your blood, do so at once. If you have, then give again!

GETTING OUT THE VOTE

The emphasis which both parties are putting on getting out the vote calls attention to the fact that in spite of political speeches by either candidate, the real election results are achieved, not in one grand effort from the top, but rather in the lowly precincts.

That is the reason why Governor Dewey made it a point to contact as many party workers as he possibly could in his trip across the country. That is why President Roosevelt in his broadcast of October 5 directed his talk to the members of the local Democratic organizations.

There is little doubt that the ballot volume this year will fall considerably below the approximate 50 million mark of 1940. The Gallup poll estimates that the November figure may drop below 40 million. Other observers place it around 42 million. With millions of men in the armed forces and with millions of workers having moved, a drop in the volume of voting would not be unexpected, but it ought not to decrease as much as present estimates indicate that it will.

We say it ought not, because if all those who are eligible to vote will appoint themselves a committee of one to see that they do it, we can have an increase in the balloting rather than a decrease.

THE WEEK OF AWAKENING

Through every possible channel the message of Fire Prevention Week (October 8 to October 14) is being carried to the public. Nothing that can be said or written can adequately express the importance of every individual taking part in this national campaign against fire. Accidental fire has done more damage to the war effort than most people will ever be able to comprehend. Much of the damage is immeasurable because it involves intangibles.

Among the measurable losses, however, have been: camouflage manufacturing, railroad equipment, paper mills, essential rubber products, army ordnance depots and warehouses, lumber yards and important automotive equipment. Vital food supplies also were destroyed. Some single fires caused damage running into the millions.

Fire is an enemy agent—but one that can be controlled by taking the well recognized preventive steps. The purpose of fire prevention week is to wake people up to this fact.

COLUMBUS DAY

Exactly 452 years ago—on October 12, 1492—Columbus discovered America and the New World soon beckoned men from every corner of the globe.

In later years they came to the new continent—came courageously from all of the nations of Europe, drawn to the new land by their love of freedom.

There were men from every nation—from England and France and Russia and all the rest. There were men of every faith—Catholics, Protestants and Jews.

Together they toiled and sacrificed shoulder to shoulder, hewing their way through wilderness. Towns sprang up. Colonies were founded.

Finally a new nation was born, dedicated to liberty and to the equality of all mankind.

Today a great world war rages to defend and preserve those ideals for which the founding fathers fought. On the battle lines again are men of every creed—Catholics, Protestants and Jews—men whose ancestry is rooted in all the nations of the earth.

Shoulder to shoulder they are struggling again—struggling as fellow-Americans with a common purpose, the defense of human liberty. And here at home men and women of every creed and of every nationality are working together on the production lines to hasten the day of victory.

The victory is in sight though the enemy has tried vainly to avert it by crushing the unity that has made America great.

With bigotry and hate, the foe has tried to turn us against each other—the Christians against the Jews, the native against the foreign-born, the worker against the employer.

But true Americans know too much their background to be fooled by tactics such as these. Unity, they know, made this nation what it is. Only unity will preserve it.

And so, on this Columbus Day, let us pledge anew our loyalty to the principles of liberty and equality and fair play on which was founded this great land—the land that Columbus discovered 452 years ago.

"BLACK MAIL" by Henry Hoke is being talked about as the most important and sensational book of its kind since "Under Cover." It tells the true story of an American businessman who turned himself into a one-man crusade in an effort to get at the facts behind the use of the U. S. mails by Nazi propagandists and their sympathizers.

HENRY HOKE

As executive manager of the Direct Mail Advertising Association, Henry Hoke was in a better position than most to find out what individuals and what organizations were flooding the U. S. mails with propaganda designed to soften up the American people and make us useless in the war.

His investigations led to an exposure of the misuse of the congressional franking privilege and put some well-known political figures in a very uncomfortable position. They led also to the indictment and conviction of Nazi agents and their little helpmates in this country.

Richard Tregaskis, author of "Guadalcanal Diary," has followed that highly successful book-of-the-month with an account of his experiences in Italy and Africa, "Invasion Diary." One story he tells is of the private of the 36th Division famous for his foul language. When the 36th hit the beach, they were subjected to shattering artillery bombardment and the profane fellow, lying in a foxhole, began to pray in a loud voice, "Oh, God, please save me," and he continued in this vein. Another private, in a near-by foxhole, recognized the voice, and shouted, "Hey, Joe, why don't you knock off crying for help and talk to somebody you know?"

Chinese ways are strange and mysterious to American salesmen, Donald Dunham explains in his book, "Envoy Unextraordinary." One of them was negotiating with a Chinese broker to do business with him. After he had left, the American Consul who had conducted the meeting explained that his British competitor had offered the Chinese a larger percentage. The salesman jumped. "But why didn't he say so? I might have been able to shave off a bit here and there." But the Consul advised him to sit by and wait. "If he likes you, he'll sign anyway," he said. And sure enough the next day he was told that his offer was accepted. The Chinese had turned down the Britisher because he was said to mistreat his houseboy.

STANFORD HANNAH ATTENDS CONFERENCE OF SUPERINTENDENTS OF SCHOOLS

Stanford Hannah, principal of Jefferson Union high school, attended the annual conference of city, county and district superintendents of schools at Los Angeles, Tuesday, Wednesday and Thursday of last week.

The meeting was called by Dr. Walter Dexter, State Superintendent of Public Instruction, and was attended by over six hundred administrators. The California School Trustees convention met during the same week and some joint meetings were held.

Much time was given, during the conference, to the consideration of post-war problems. Educators, it was said, will be ready to do their part when the period of re-adjustment arrives.

Saturday, Hannah attended a meeting of the State Council of the California Secondary School Principals association. Hannah, who is state chairman of the association's legislative committee, spoke to the group in support of "Number Nine," on the November ballot. This measure proposes to increase the state apportionment for elementary schools. Hannah asked the high school administrators to actively support the measure as some elementary schools do not have sufficient funds under the present laws to even employ a teacher. He also pointed out the great decrease in the number of students enrolled in teacher training institutions and the large number of "emergency credentials" being issued to people with inadequate training.

BRICKER IN CALIF.

Plans have been completed in a score of California cities to welcome Governor John W. Bricker, Republican candidate for vice-president of the United States.

Governor Bricker will make his second California speech from the San Francisco Civic auditorium at 8:30 p. m. the same day. It will be broadcast on a coast-wide radio network.

CUTTING THE WEDDING CAKE

This photograph was taken just before the bride, Miss Barbara Vernengo, cut the wedding cake at the reception following the recent wedding ceremony at Our Lady of Perpetual Help church which changed her name to Mrs. John A. Bodmer. Father Adrian McKenna performed the nuptials. Bodmer, with the United States Navy, is from Ironton, Oho. Parents of the bride are Mr. and Mrs. Charles Vernengo, 398 Bellevue avenue. The reception was held at their home and more than one hundred friends and relatives were in attendance.

The bride's gown, made of ivory slipper satin, with a lace yoke and long train, was of traditional design. Her full length veil was held in place by a coronet of orange blossoms and she carried a shower bouquet of white gardenias and bouvardia with an inset of orchids.

Maid of honor was Miss Doris Vernengo, sister of the bride, and Miss Marge Steele was bridesmaid. Both girls wore gowns of turquoise chiffon and carried sweetheart bouquets of pink begonias.

Cliff Bailey, U. S. Navy, was best man and Joseph Pagel, U. S. Navy, was usher.

The couple left immediately after the ceremony for the home of his parents, Mr. and Mrs. Adam Bodmer in Ohio. Following his leave, Bodmer was to report to Norfolk, Virginia, for reassignment.

The bride is a graduate of Jefferson Union high school.

Eagles Plan Special Initiation For Oct. 19

One of the most outstanding initiation ceremonies of the year is planned by Colma Vista Grande Aerie No. 1848, F. O. E., for Thursday evening, October 19. Conducted at Little Italy hall, 6229A Mission street, it will be in honor of William P. Bolger, past president and secretary of the

BOLGER

aerie. He has been a member of the aerie for the past 25 years and the presidents who have served during that time have each promised a candidate for next Thursday night.

The aerie pointed out that Bolger, during his presidency, brought in the largest number of candidates ever taken into the organization before or since his term.

Guest speaker at the October 19 program will be Thomas Goslin, past president of Aerie No. 5 and currently state aerie vice-president. He is a member of the State Board of Equalization.

Refreshments will be served at the close of the initiation and business meeting under the direction of Allen Brush and Ray Lagomarsino.

The aerie will hold a Hallowe'en party and dance, Saturday night, October 28, at Little Italy hall. The committee in charge promises a good time for the evening and urges all members to attend.

Cub Pack 141 Has New Member

Cub Pack No. 141 held its first meeting of the fall term, Friday, October 6. Bill Bryant entered the pack and seven or eight other boys are scheduled to become members as soon as they have passed preliminary tests. Cubmaster Joseph Straughan reports that 23 boys were present for the pack meeting. He particularly requested that parents cooperate with boys wishing to enter and maintain their part in the Boy Scout program. The Cubs plan to make articles for servicemen at Bay area hospitals during the winter. They will participate in a Cub field day in November.

Boy Scout Troop No. 141 is hard at work on their new camp site, located between here and Sharp Park (exact location seems to be a troop secret). The boys could use materials such as lumber and furnishings. Anyone who'd like to donate such items may call Straughan at ELkridge 3335. Someone has already promised the boys a chapel for their camp.

Prior to November 4 and 5, when the San Francisco area camporee will be held at Pine Lake, the local troop members will hold a troop camporette to get in shape for the November event. The camporette will probably be held at Hungry Hollow.

"Sugar And Spice"

The big news at the household of **Mr. and Mrs. Joseph Conlon,** 462 Templeton avenue, is the arrival of a granddaughter. The bundle of "sugar and spice" arrived at Children's hospital, San Francisco, October 8. Parents are Mr. and Mrs. Earl Thorgersen. Mrs. Thorgersen has been staying with her mother, Mrs. Conlon, while her husband is in Texas on business.

Saturday's Final Day To Mail Christmas Packages For Overseas

Have any friends in the armed forces overseas? Did you plan to send them Christmas packages? It's a matter of hours until the final deadline. Superintendent John Haley, at the Daly City branch post office, 6251 Mission street, reminds local residents that although the official closing date is October 15, 1 p. m., Saturday, October 14, will be the very last moment for mailing as far as this post office is concerned.

Since August appeals have been made for the public to send Christmas packages early to friends in the Navy, Army, and Marine Corps on overseas duty. Only one parcel could be mailed each week from the same person to the same addressee.

Packages must weigh 5 pounds or less and measure less than 15 inches in length. Girth of the package must not exceed 36 inches.

Expressly prohibited are perishables, intoxicants, matches or lighter fluids. Fragile articles are not recommended.

VOTE NO on No. 12

Governor Earl Warren, the State Chamber of Commerce, civic leaders, and a score of employer, employee, civic, veteran and church groups have come forward to oppose No. 12 on the ballot in the election, November 7. These leaders look upon No. 12 as a threat to industrial peace in California and as a dangerous attack on our united efforts to win the war.

• Retire blackened lamp bulbs from active duty. Replace with bright new bulbs. Use the old bulbs in basement, garage and other places of infrequent, short-time use.
• Replace small-size bulbs with right-size lamps for adequate, easy seeing. Do you know, for example, a 100 watt bulb gives 50 per cent more light than four 25 watt globes?

SAFEWAY FLOUR FESTIVAL

THIS IS FIRE PREVENTION WEEK
BE CAREFUL WITH FIRE!

Bake these easily, for October delight

TO MAKE this evening's dinner appetizingly different, why not bake some drop biscuits? Very little time is required!

DROP BISCUITS

Follow your regular 2-cup recipe for baking-powder biscuits, but use enough milk (about a cup) so mixture will *drop* from teaspoon on an ungreased baking tin. Bake in a hot oven (450° F.) for 12 to 15 minutes. Makes about 16 biscuits

Even more appetizing drop biscuits result if you add (depending on personal tastes) ½ cup of raisins or chopped nutmeats or diced cheese to the mixture before kneading it. Or, use tomato juice instead of milk for the moistener!

And for dessert, how about

ICED APPLE DUMPLINGS

Using a standard pastry recipe, roll the pastry ⅛-inch thick and cut into 6-inch squares. Wash and peel 6 whole medium-sized cooking apples; remove cores and place one apple in the center of each pastry square. Fill each core-hole with brown sugar and a dash of cinnamon and nutmeg, and ⅓ tbsp butter or margarine. Dampen edges of pastry and draw up around apples, pressing securely together. With sharp tined fork, prick dough well all over. Place in well-greased drip pan. Bake in hot oven (450° F.) 15 minutes. Reduce heat to moderate oven (350° F.) and bake 45 minutes or until done, basting every 15 minutes with syrup made by boiling 1 cup granulated sugar, ½ cup water, and 2 tbsps. butter or margarine. When baked, frost tops immediately with medium-thick powdered sugar butter icing.

Make More Meals "Modern"

By BETTY BARCLAY

Some of us seldom stop to realize the fact that during the past decade or two more and more men and women have been devoting their entire time to the study of food, its preparation and its health value.

Colleges are graduating hundreds of dietitians. Food companies have home economists working on consumer's food problems in their kitchens and research laboratories. Chemists are analyzing foods. Most important of all, the women in the homes are vitally interested. No more does a good recipe for a fruit cake suffice. They want to know what to eat; what each food contains; what each food will do and how to serve healthful, well-balanced meals to their families.

They now realize that adequate breakfasts are important. A slice of toast and a cup of coffee is not a proper meal to start a working day. They have learned the value of fruit cups, salads and green vegetables. They appreciate how a nourishing cereal fits into the luncheon menu just as it has always fit into the menu for the morning meal. "Adequate breakfasts and cereals for lunch" is a good slogan to paste in a prominent place in the kitchen — to point up that "modern" meals can be scheduled for that particular home.

Here is a Bran Flakes Waffles recipe for that adequate breakfast; a cereal for lunch combination; and a suggested menu for a luncheon, that will surprise you with its tastiness and its sufficiency:

Bran Flakes Waffles

- 1 cup sifted flour
- 2 teaspoons double-acting baking powder
- ½ teaspoon salt
- 2 egg yolks, well beaten
- 1 cup milk
- 4 tablespoons melted butter or other shortening
- 1 cup 40% Bran Flakes
- 2 egg whites

Sift flour once, measure, add baking powder and salt, and sift again. Combine egg yolks, milk, and shortening; add to flour mixture, beating only until smooth. Add Flakes and blend. Beat egg whites until they will hold up in moist peaks. Stir quickly but thoroughly into batter. Bake in hot waffle iron. Makes four 4-section waffles.

Flakes Waffles with Bacon. Add ⅓ cup chopped cooked bacon just before adding egg whites.

HONOR MRS. WALL

Last Saturday afternoon, Mrs. Robert E. Wall, 599 Evergreen avenue, was honored at a cocktail party in San Francisco by twelve of her friends. She received many beautiful gifts at the farewell.

Mrs. Wall, accompanied by her children, will leave Daly City soon to join her husband at Sonora, California, where they will make their home in the future.

What's Doing At Elementary Schools

AT WOODROW

The pupils of Room 4 recently enjoyed two still films entitled "Western Movement" and "Daniel Boone."

In Room 8 the girls and boys collected over 5,000 pounds of waste paper in one week.

The boys and girls of Room 9 are studying land transportation and learning of animals used as beasts of burden of today and of the Cave Man Age.

Room 12 is learning the difference between what could be produced in one day in the Nineteenth century and what can be produced today in one day's time. The difference seems almost unbelievable to the boys and girls.

The fourth grade boys and girls are studying their community. In the back of the room they are making a large poster picturing the many activities that are carried on in their neighborhood, a florist shop, gardening and many others.

The children of the low fifth have begun their study on textlies. This week they are learning the importance of cotton. It was a surprise to them to learn that most of the clothes they wear are made of cotton.

AT JEFFERSON

Seventh grade students participated in a very interesting discussion on the Aurora Borealis during their science period. One student recounted an ancient Norse legend that described its origin; another student gave a modern, scientific explanation of this marvelous phenomenon of nature.

Through their own efforts, children in the fifth grade have acquired a "Bug Collection." Their prize is "Fuzzy Wuzzy" a very common, but (to them) a very beautiful caterpillar brought in by one of the children. Fuzz-Wuzz was examined thoroughly, his legs counted and so on, then a home of milkweed was provided for him. No particular attention was given him until the next science day, when a careful search failed to discover Fuzz Wuzz. When the gloom that had settled upon the class was almost unbearable, one of the children discovered a little silken ball under one of the leaves.

The children were thrilled to see the change from larvae to pupa that had taken place in their own classroom. They are now anxiously awaiting the day and the hour when their own butterfly will emerge from his cocoon.

AT CROCKER

Last week the pupils of Room 2 welcomed Joy Verdoia to their class.

The students of Room 3 were sorry to hear that Glenda Hamel was leaving. She has moved to San Francisco and will attend the Lawton school.

Joan Siino from Room 6 spent Sunday visiting the zoo in San Francisco.

Rose Heffron spent a pleasant day in La Honda, Saturday.

Sunday, Joan Wimbley went horse-back riding.

ACTIVITIES AT JEFFERSON HIGH

By VERNA MORESCO

MUSIC DEPARTMENT

For the first time, in the music department, managers have been chosen for the different sections.

Paul Schmidt is senior manager of the varsity band. Virginia Nestor is senior manager for the girls' glee club, and Bob Olson for the boys'.

The music department, in conjunction with the drama department, under the supervision of Miss Schmidt, is planning their Christmas program. It will be an original production.

John McCarthy, music instructor, has announced that there are 75 members of the chorus, 20 members of beginners' band, and 20 in the advanced band. The class in advanced band will play for all home games.

Third period chorus is an a capella choir; that is, singing without music accompaniment.

The first program of the semester will be, October 17, when the chorus will sing for the P. T. A.

PHOTOGRAPHY CLUB

Getting back on its feet, the Photography club of Jefferson started selling pictures, Monday, October 9.

Pictures on sale now include those of the Tamalpais game, with pictures of the excited crowds in the grandstand, Tamalpais majorettes, and Jeff's four-piece band which was present at the game.

NO EXCUSES

There's no excuse for the students at Jeff not knowing their yells, because on sale at the school store are handbooks which have the school yells, songs, pictures of the school, and the school's constitution.

The book is attractively bound in yellow with an Indian head on the cover.

STAMPS AND BONDS

Jeff started off the new term with 90 per cent in stamps which gives the school the right to fly the Treasury flag for the month of September.

Plans are now underway for a bond drive. When it will be held has not been decided.

This term a new plan has been introduced to better the sales of stamps and bonds. From each homeroom class captains have been chosen.

Captains for the seniors are Barbara Gregor, Norma Borella, Kathleen Schreiber, Doris Vernengo. Junior captains include Eva Claus, Ed Boyle; Charles Hulse is the sophomore captain, and for the freshmen are Jean Preston and Leona McAllen.

Those who have been selling stamps include Florence Hannah, Alice Lovier, Beverly Davis, Alice D'Isep, Lois Rich.

TOTEM POLE

The Totem Pole, published by the journalism class of Jefferson, has this term as its co-editors, Earl Odell and Peter Jimenez.

Mrs. Dorothy Pendergast is faculty adviser, in the absence of Miss Learned, who has been ill.

Staff of the Totem Pole includes Ed Boyle, Tom Brandt, Virginia Bhend, Bonnie Newcomb, Earl Odell, Peter Jiminez, Paul Schmidt, Harvey Jans, Charles Piccard, Mary Wilson.

C. S. F.

At the last meeting of the C. S. F. one of the projects decided upon was the making of scrapbooks for the men in the service.

It was also decided that at a future assembly membership cards for the society will be distributed.

GPAL

Lorelei Gamba has been chosen manager of G. P. A. L. swimming. Twenty-five have signed up for swimming, which is held on Thursdays. Captains under Miss Gamba are Theresa DeLeon, Marjorie Crawford, Jean Preston, and Leona McAllen.

Approximately 33 have signed up for G. P. A. L. tennis which is played, Mondays and Wednesdays.

INDIANS OF RHYTHM

The first program by the Indians of Rhythm was given, Wednesday, October 11. The students enjoyed listening to both "jive" and "sweet" tunes. Although the band is much smaller, the decrease does not seem to make much difference.

Selections played by the band were "Two O'Clock Jump," with a piano solo by Barbara "Bobby" Gregor; "I'll Walk Alone," vocal by Pat Marocco; "You'll Always Hurt the One You Love" with a vocal by Lil Altman; "Fellow on a Furlough;" "How Many Hearts Have You Broken;" "Milkman, Keep Those Bottles Quiet;" and "Swinging on a Star."

A novelty number, "Straighten Up and Fly Right" was sung by Pat Marocco, Lil Altman, and Doris Vernengo.

Speaking of music, don't forget that "Hoo-Doo Jump," Friday, October 13. The Indians of Rhythm will be there with the music, and you had better be there with your girl.

RALLY

A second of a series of rallies was held in the auditorium, Friday, October 6. On that day Jeff played South City and lost to them with a score of 12 to 2.

Jeff will next play Albany at Jeff.

COUNCIL

(Continued from Page 1)

gravel can be arranged. At first a contractor had promised to clean out the area for the rock but this proposal has not "jelled" yet and may necessitate further study.

Although the old quarry site has been discussed at great length and preliminary investigations begun it was pointed out by the council that final decision has not been made, and will not be made, until further discussion with Veterans' organizations and others concerned in the selection.

Rene Brulez, member of the V. F. W., called on the council to discourage any V-Day celebration for the date when Germany capitulates. He explained that he had prepared a resolution urging the citizenry to hold any V-Day celebration in abeyance until the Japanese empire is defeated too. Mayor Gaggero assured him that upon passage of the resolution by the Legion and V. F. W. the local council will doubtless concur in the suggestion to the public that no demonstrations be held in connection with V-Day and that workers stay on the job.

The council received a letter from the California State Federation of Labor thanking it for its action in concurring in its resolution on Proposition No. 12, the so-called right-to-work proposal. The council concurred in labor's suggested resolution condemning the proposition as detrimental to unity and recommending a "No" vote to local citizens.

Motion for adjournment was made by Councilman McHugh. City officials present, in addition to the four councilmen (Councilman B. L. Meritt is still on leave) were Engineer R. A. Klassen, Attorney F. E. Hoffmann, Clerk B. C. Ross, Fire Chief Andrew P. Chesney, Sanitary Inspector Fred A. Collins, Water Works Superintendent Arthur Bodien.

DALY CITY DRAFT BOARD CLERK, ASSISTANT ATTEND S. F. CONFERENCE

"Supposing a returning veteran has an Australian wife he wishes to bring to this country? What if he wants to finance a home? How does he go about getting a job?"

These were the sort of questions discussed at a meeting in district Selective Service headquarters at San Francisco, last week. Daly City Draft Board No. 103 was represented by Mrs. Isabelle Flynn, chief clerk, and Miss Elsie Olcese, assistant clerk. The forum had been called to better acquaint local boards with the problems they will face as more and more discharged veterans return home.

Last night, October 11, the re-employment phase of the board's duties received further study and planning when a special meeting was held in the city hall, 75 Wellington avenue, presided over by Dr. J. C. McGovern, board chairman.

In addition to representatives from the district coordinator's office, the following who serve on the re-employment committee for the northern section of San Mateo county took part in the discussion: McGovern, Fred A. Collins, Clarence W. Peterson, Fred B. Keystone, John W. Coleberd, A. J. Welte, and Angelo Rocca. Mrs. Flynn and Miss Olcese were also present.

Next quota which the armed forces has asked the Daly City draft board to fill is for three men for induction, October 23. Thirty-six men will take preinduction physicals, October 31.

Adrien J. Falk Addresses Lions

Falk, president of the San Francisco Chamber of Commerce, discuss "San Francisco at the Crossroads," Wednesday, October 4. Much of his address dealt with San Francisco's post-war potentialities as a world trade center.

The local Lions met, yesterday, October 11, with the West Portal Lions at 215 West Portal avenue for luncheon. They heard G. G. Sanders, director of the western division, Netherlands Information bureau, discuss Holland, the Dutch East Indies, and the war in the Pacific. Their next meeting will be held at noon, Wednesday, October 18, at the same address.

More Price Panel Assistants Are Needed

More price panel assistants from Daly City were urgently requested this week by O. P. A. Board No. 83-12-3, 470 Grand avenue, South San Francisco. Miss Genevieve Blue, chief clerk, pointed out that both local merchants and shoppers would benefit by having the community better represented in this important work. Even those who could devote only one day a week would be heartily welcomed as there is a great deal of detailed work in connection with the whole "hold the cost of living" program.

At present the Daly City-Colma area has two price panel members on Board No. 83-12-3, Manuel Schiaffino and Mrs. Edna Jensen.

Volunteer price panel assistants have as their main duty surveys of prices in their own district. Most merchants, Miss Blue said, are happy to cooperate with the program and welcome periodic checks.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

School Board Holds Routine Meeting

Members of the Jefferson School District Board of Trustees held a routine business meeting at the administration building, 344 Santa Barbara avenue, Sunday morning, October 8. George R. Augustien, chairman, conducted the session.

It was announced at the meeting by Superintendent R. L. Crane jr. that the San Mateo County Board of Education had advised him that Thanksgiving would be observed, Thursday, November 23, this year upon instruction from Governor Earl Warren at Sacramento. Children in the local elementary schools had today, October 12, Columbus Day, as a holiday.

In Jefferson district the children have collected more than twenty tons of waste paper and returns were not complete early this week. This will be the largest paper collection, to date, Crane said. The tin salvage drive will begin, Monday, October 16. Tin, like paper, will be collected by pupils in the public schools or residents may take their contributions directly to the school nearest their home. All tins should be cleaned, delabeled and flattened.

Dr. Joseph Williams, Stanford university, recently addressed faculty members of the Jefferson district and teachers from schools in the surrounding area on maps and their use in the air age. The meeting was held in the administration buliding.

READY FOR WINTER

Roofs on the three million-gallon reservoirs in the Daly City Municipal Water Works system are being put into condition for the winter, according to Superintendent Arthur J. Bodien.

When the men went to work on Reservoir 2 they discovered that someone had made off with the commemoratory plaque placed there when the reservoir was dedicated. Measuring 2 by 2 1-2 feet the metal plate is of value only as a historic city memento and it would be greatly appreciated if it were returned. Reservoir 2 is the one located high in the hills of Crocker tract.
